IT NRC - Ohio Nonresident Credit Calculation

Use this form for tax years 2018 and forward.

This form is for individuals who were either full-year nonresidents or part-year residents of Ohio during the tax year entered above.
Include a completed copy of this form when filing your Ohio IT 1040.

Taxpayer name ANUSHA KONCHADA	SSN 181-31-8586

Important: No item of income or deduction can be included on more than one line in Parts A and B of this section. If an item is business income, then it can only be included on line 5 (determined by completing Sections II and III).

Section II - Ohio Business Income

Report below each business from which the taxpayer received business income or loss during the tax year. Businesses should be listed in descending order from highest "Ohio Apportioned Income" to lowest. The amounts reported in columns B and C should be calculated using Section III of this form found on page 3. However, if the taxpayer received an Ohio IT K-1 from a pass-through entity in which they are an investor, attach a copy with this form in lieu of completing Section III for that entity. Check the box indicating an IT K-1 is attached and report the corresponding amounts from the IT K-1 in columns B and C. Businesses lacking nexus with Ohio should be included in this section but do not require a Section III to be completed.

Important: "Federal Business Income" is the taxpayer's share of income they reported for federal income tax purposes. **Column A is NOT a total of columns B and C.**
